[eTicket User's Guide](#)

There is a short version of the eTicket User's Guide available for download from our website. Navigate to <http://www.skillcheck.com.au/onlinetesting.htm> and click on the link "eTicket User's Guide" in the right panel.

[eTicket validity period](#)

When issuing an eTicket, you are able to specify the number of days the testing session is "active". The range of days is between 1 day and 180 days.

The default validity period is 30 days. Upon request, we can reset the default on your account to less or more than the 30 day default.

[eTickets to more than one candidate](#)

When issuing eTickets, you can send the same test(s) to up to ten candidates.

Step #1 - Select required test(s).

Step #2 - Select the number of candidates to receive an eTicket from the drop-down field. Click "Continue".

Step #3 - Enter a valid e-mail address for each recipient. Click "Send".

Each candidate will receive an eTicket with the test(s) selected in Step #1.

[SkillCheck Online Testing Service PowerPoint slide show](#)

There is a new PowerPoint slide show on our website which you may view or, if you wish, save to your local PC. Go to <http://www.skillcheck.com.au/onlinetesting.htm> to access this presentation.

For a nominal cost, we will customize the presentation with your contact details.

[Newsletter archive](#)

Past editions of our periodic newsletter are available online via our website. Go to <http://www.skillcheck.com.au/resources/Newletters.htm> to see the index of topics and links to the newsletters.

Technical Tips (TechTips)

There are a wide range of self-help technical tips available on our website to answer some of those questions that arise from time to time.

Go to <http://www.skillcheck.com.au/resources/TechnicalTips.htm> to access this service.

Who uses Online Testing?

The SkillCheck Online Testing Service is used by major international recruiters, niche-market recruiters, banks, legal and accounting firms, insurance, telecommunications & internet service providers, charities, education, government, manufacturing, training, hospitality & tourism and many small businesses.

What does it cost to use Online Testing?

The cost of using Online Testing can be as little as \$671.00 (GST inclusive). There are several viable alternative licensing structures which can be tailored to your specific requirements.

We have recently released a limited-offer series of bundled packages for those wanting to access a part of the vast range of tests and who are on a budget. Go to <http://www.skillcheck.com.au/index.asp> and click on the "Special Offers" link in the left hand panel.

To discuss what will best suit your current and future needs, and obtain service and pricing details, please telephone me on (03) 9555-4200 or send an e-mail and I will call you!

Test Descriptions - Online Testing

Descriptions for many of the online tests are available by clicking on the "Test Description" button in the "Administer Tests" screen. You may request a document with these descriptions for your use by contacting SkillCheck Pacific Pty Ltd on sales@skillcheck.com.au.
