

Test Information

Data Entry Test - Numeric (F)

Name: Martha Smith-Jones
ID: 1
Date: 6/6/2011
Time: 07:42:19
Time Taken: 05:00 minute(s)

Performance Overview

Score: SCORE VALIDATION REQUIRED*

Gross Data Entry Speed: 9276 keystrokes/hour (30 words/minute)
Number of Errors: 56
Adjusted Errors per Hour: 2016
Net Data Entry Speed: 7260 keystrokes/hour (24 words/minute)

*WARNING: This candidate's speed and/or accuracy scores fall into ranges which suggest that either a) the candidate may not have understood the task to be completed in this assessment, or b) the candidate may have intentionally performed the task in a way that was inconsistent with the assessment instructions. Please review the "Gross Data Entry Speed" and the "Errors" values on the candidate report. If the "Gross Data Entry Speed" value is lower than 800 and/or the "Errors" value is higher than 30, the candidate may not have understood the task. If the "Gross Data Entry Speed" value is higher than 8,000 and/or the "Errors" value is higher than 30, the candidate may have intentionally performed the task in a way that is inconsistent with the assessment instructions. You may choose to speak with the candidate about their performance, and if warranted, retest them ensuring that they clearly understand the task to be completed in this assessment.

Percentile ranking: 70
