

## TechTip #28 - Getting Mozilla Firefox Browser (All online users)

Mozilla Firefox browser is an alternative internet web browser that is preferred by many Internet users due to its better security, more user-friendly interface and stability.

The SkillCheck Online Testing Service runs very well in this browser environment.

To get Firefox, follow these steps.

1. Go to <http://www.mozilla.com/en-US/>
2. Click on the “Download Firefox - Free” button

3. Follow the on-screen installation instructions.

While the SkillCheck Online Testing Service has been fully tested using the Firefox browser, any support issues regarding Firefox Browser itself are outside our support services.
